Tool-free, quick and easy assembly

IT

Velocemente

Chi meglio di te sa come presentare la tua azienda e il tuo prodotto? Da oggi, solo con le tue mani, senza utensili, potrai realizzare tutte le situazioni che durante l'anno si presenteranno. Presentazioni, convention, fiere, eventi e meeting. Gli elementi si assemblano facilmente, sono leggeri e completamente componibili. Lo potrai fare da solo e in tempi davvero veloci: crediamo, infatti, che l'autonomia costruttiva nel settore "exhibit" apra strade e obiettivi nuovi a tutte le imprese innovative e in forte espansione.

EN

Quickly

Who better than you knows how to present your company and your product? From today, only with your own hands, without tools, you can realize all the situations that will arise during the year. Presentations, conventions, fairs, events and meetings. The elements are easily assembled, they are light and fully modular. You can do it alone and in really fast times: we believe, in fact, that the autonomy of construction in the "exhibit" sector opens up new paths and objectives for all innovative and booming businesses.

DE

Schnell

Wer weiß besser als du wie kann man präsentieren dein Unternehmen und deine Produkte? Mit Fastland ab heute nur noch mit deinen eigenen Händen und ohne Werkzeuge kannst du schnell verschiedene Situationen lösen. Präsentationen, Kongresse, Messen, Veranstaltungen und Treffen. Die Elemente werden zusammengebaut leicht und voll modular. Du kannst es allein und rechtzeitig tun sehr schnell: wir glauben in der Tat, diese konstruktive Autonomie in den offenen Straßen des Ausstellungssektors und in den neuen Zielen für alle Unternehmen: innovativ und boomend.

FR

Rapidement

Qui mieux que vous sait présenter votre entreprise et votre produit? À partir d'aujourd'hui, uniquement de vos propres mains, sans outils, vous pouvez réaliser toutes les situations qui se présenteront au cours de l'année. Présentations, conventions, foires, événements et réunions. Les éléments sont faciles à assembler, légers et entièrement modulables. Vous pouvez le faire seul et dans des temps très rapides: nous pensons, en effet, que l'autonomie de la construction dans le secteur "exposition" ouvre de nouvelles voies et de nouveaux objectifs pour toutes les entreprises innovantes et en plein essor.

Modular

Small pieces, for big situation

IT

Adattabile

La modularità è un aspetto molto importante dei nostri prodotti. Sono infatti, espandibili e riposizionabili in diverse tipologie di spazio. Si possono alzare e allungare, aggiungendo o togliendo moduli strutturali. La filosofia Fastand, permette di organizzare più eventi utilizzando gli stessi prodotti; con un risparmio sia economico che di tempo. Diminuiscono le tempistiche di preparazione e si mantiene costante la qualità presentativa della vostra azienda.

EN

Adaptable

Modularity is a very important aspect of our products. In fact, they are expandable and repositionable in different types of space. They can be raised and extended by adding or removing structural modules. The Fastand philosophy allows you to organize multiple events using the same products; with both economic and time savings. Preparation times decrease and your company's presentation quality remains constant.

DE

Anpassungsfähig

Modularität ist ein sehr wichtiger Aspekt unserer Produkte. Tatsächlich sind sie erweiterbar und können in verschiedenen Raumtypen neu positioniert werden. Sie können durch Hinzufügen oder Entfernen von Strukturmodulen angehoben und erweitert werden. Mit der Fastand-Philosophie können Sie mehrere Veranstaltungen mit denselben Produkten organisieren, mit wirtschaftlicher und zeitersparnis. Die Vorbereitungszeiten verkürzen sich und die Präsentationsqualität Ihres Unternehmens bleibt konstant.
